SUMMARY

BCA graduate with experience in web development and network support at Accenture, currently pursuing MCA with a focus on AI and data analysis. Skilled in MERN stack, Python, Java, and MySQL with hands-on experience building and maintaining web applications.

EDUCATION

Bachelor of Computer Applications (BCA)	Amity University Patna	2021–2024
Master of Computer Applications (MCA)	SRM Kattankulathur	2025–2027

EXPERIENCE

Associate Software Engineer — Accenture November 2024 – August 2025

- Handled L1/L2 support, incident response, and network alert monitoring.
- Resolved ServiceNow tickets by checking logs, ports, device status, and fixing connectivity issues.
- Added or removed ports and devices as needed and managed emails to close requests on time.

Campus Ambassador — Wayspire April 2024 - May 2024

- Promoted brand awareness and engagement through campus events and activities.
- Built and maintained relationships with student organizations and influencers on campus.

Web Development Intern — Oasis Infobyte September 2023 - October 2023

- Contributed to a prototype shopping website, temperature converter, and built a personal portfolio.
- Deepened understanding of front-end and back-end development.

MERN Stack Intern — Intern Nexus June 2022 - August 2022

- Honed skills in MERN stack (MongoDB, Express.js, React, Node.js).
- Contributed to single projects in teamwork and enhanced project management.

PROJECTS

Placement Tracker (MERN STACK)

- Built a web platform to assist students with placement tracking
- Added open-source contribution feature for real-world projects.

Weather Forecast Website

- Technologies Used:** HTML, CSS, JavaScript.
- Integrated API to fetch real-time weather data.
- allowing users to check temperature, wind speed, and humidity by entering a city name.

Personal Portfolio Website

- Technologies Used:** HTML, CSS, JavaScript.
- Built an interactive portfolio website with responsive design and smooth navigation
- Showcases projects, resume, and contact details in a structured layout.

CERTIFICATES

- | | |
|---|--|
| • MERN Stack (Jun 2022) | • Blockchain with Cybersecurity by CodroidHub (Jul 2023) |
| • Web Development by Oasis Infobyte (Sep 2023) | • CCNAv7: Introduction to Networks |
| • Java Course by Sandor Szekeres [UDEMY] (2023) | • Introduction to Cybersecurity by CISCO |

SKILLS

Languages: C, Java, Python

Web: HTML, CSS, JavaScript, MERN Stack

Database: MySQL, MongoDB

Tools: Git, GitHub, VS Code, Linux, Canva.

SOFT SKILLS: Communication, Problem Solving & Decision Making, Documentation & Reporting, Video Editing.
